## ABOUT MYSELF

Motivated Computer Science student with a strong dedication to research and development in the dynamic fields of Data Science, Artificial Intelligence, Machine Learning, and Development.

## EDUCATION AND TRAINING

### Bachelor of Science in Computer Science

Comsats University Islamabad, Abbottabad Campus, Pakistan [ 2021 – 2025 ]

## WORK EXPERIENCE

### Mobile App Developer

**DigiXpot - Creative Digital Agency** [ 01/11/2023 – Current ]

As a Mobile Application Developer, I develop and maintain high-performance mobile applications with robust cross-platform functionality. I design and implement intuitive, user-friendly interfaces that significantly enhance app usability and customer satisfaction. Additionally, I collaborate with cross-functional teams to optimize app performance and integrate industry best practices, demonstrating strong problem-solving skills and adaptability in a fast-paced digital environment.

### Junior Full Stack Web Developer

**Neevas - IT Services and IT Consulting** [ 01/08/2024 – 31/08/2024 ]

As a Full Stack Web Development Intern, I developed dynamic web applications using React and Node.js, collaborated with teams to implement user-focused features, managed databases with MySQL and MongoDB, and ensured code quality through testing and debugging. I also contributed to agile workflows for efficient project delivery.
